**Supplemental Demographic Questionnaire – Voluntary**

The Minnehaha Creek Watershed District seeks to solicit interest in serving on the Citizens Advisory Committee broadly from the community. Your responses to the below questions will help us track progress and understand our success in these efforts. Information on your age, gender, and ethnicity is classified as private data under the Minnesota Government Data Practices Act, Minnesota Statutes chapter 13 (DPA). Private data are data that generally may not be released to the public. You are not required to respond to these questions, and there are no consequences if you fail to do so. However, your participation is appreciated and valued.

The private data will be maintained in accordance with the DPA, and accessible to those within the Watershed District who reasonably require the information to support their outreach work. The data also may be shared on court order or provided to the state or legislative auditor.
